

The members of the Institute of Prof. Wrachtrup, University of Stuttgart

Prof. Wrachtrup's visit (July 29-30, 2011)

The starting stage of the Institute of Quantum Optics, University of Ulm

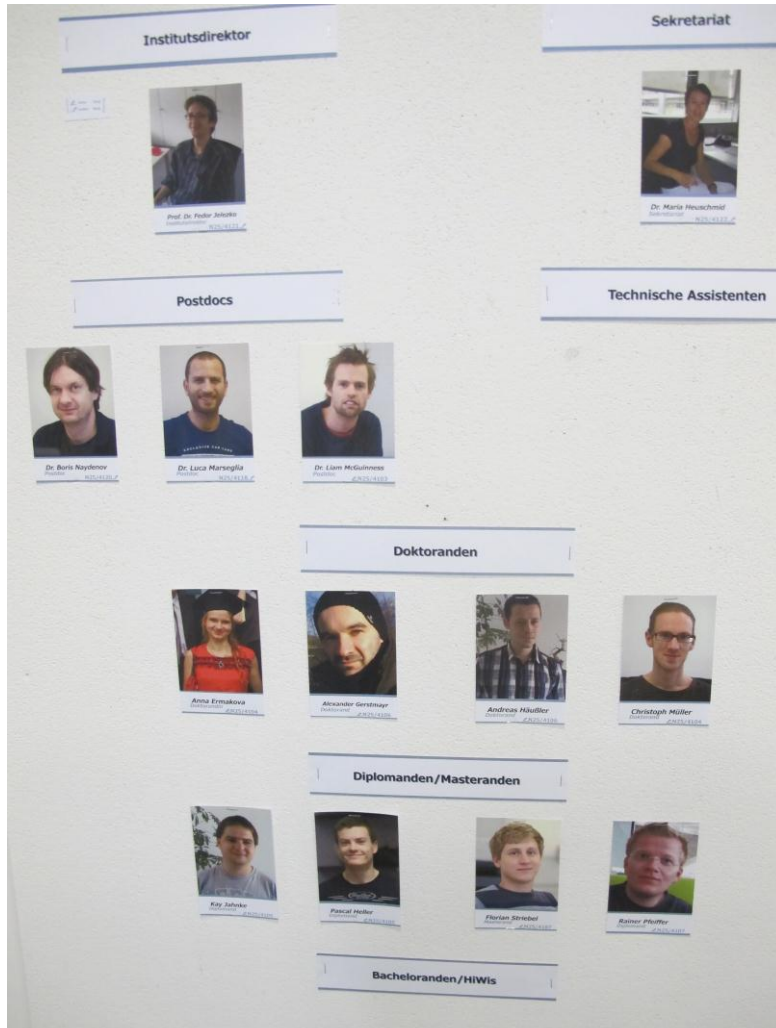

The visiting Ulm of Yamamoto(JAEA), Teraji(NIMS), Isoya, (University of Tsukuba) and Ikeda,SEI (Sept.9, 2011). Putting a microwave wire above a sample crystal on the holder and mounting on the scanner of a CFM set-up.

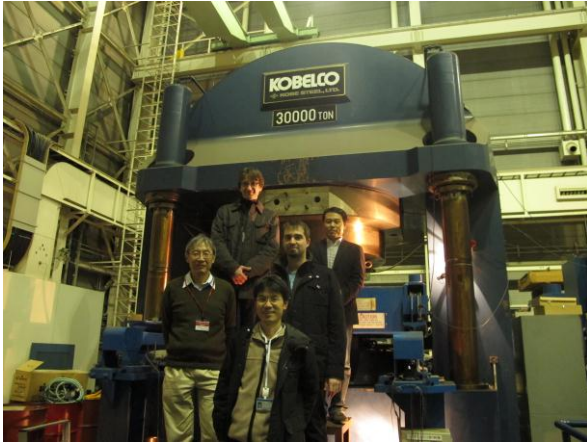

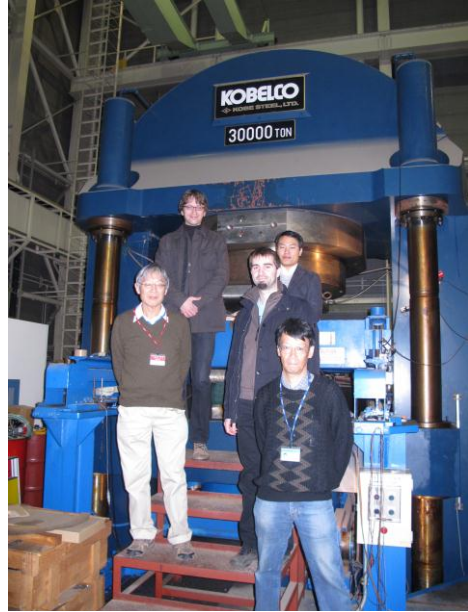

Japan-Germany joint team meeting (Sept.13, 2011, Ulm)

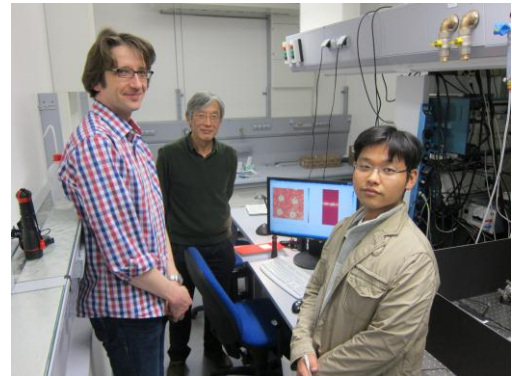

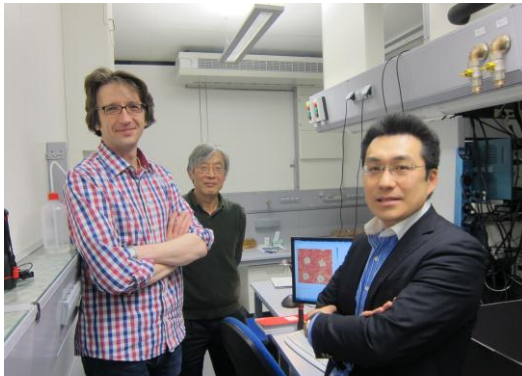

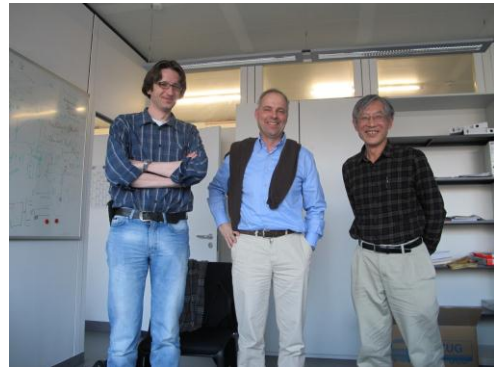

The members of Institute of Quantum Optics, University of Ulm (Feb. 2012)

Japan-Germany joint team meeting (Nov.23, 2011)  
From German team, Prof. F. Jelezko (Ulm), Dr. P. Neumann (Stuttgart), and Dr. J. H. Shim (Dortmund) attended.

Meeting at Ulm (March 7, 2012)

CFM measurements of 60keV focused ion beam implanted single crystal CVD (Mar. 24, 2012)
