LANGUAGE | TANDEM – PROGRAMME

■ Tandem-Meeting

Wednesday, May 3, 2017 | 6.30pm |

Mensa Ulm University

Tandem refers to a type of language exchange in which two students meet to learn a foreign language. Two language partners work together as a pair in order to learn each other's native language. At the Tandem-Meeting at the beginning of each semester, you can practice your language skills and find suitable language partners. In addition, the International Office provides different opportunities during the semester to improve your language skills and meet language partners.

Information via mailing list, on Facebook and on our website: www.uni-ulm.de/io/info/aktiv/betreuungsinitiativen/tandem-programm/

■ Tandem Internet Platform

Students can register on the website, in order to contact and find suitable language partners, join language groups or share their experiences.

<https://tandem.hs-neu-ulm.de>

■ Centre for Languages and Philology

The Centre for Languages and Philology at Ulm University offers a wide range of language courses for international and German students.

BUDDY-PROGRAMM

What is the Buddy-Programme?

Experienced students engage in the Buddy-Programme to support new international students. The Buddies will greet new international students upon their arrival in Ulm and assist with formalities such as rental agreement, bank account or dealing with authorities. During the semester, they support new students in getting acquainted with University and the city of Ulm, as well as to discover leisure activities.

Reasons, to become a Buddy!

As a Buddy you become part of an international network and discover Ulm with a new perspective. Furthermore, Buddies acquire key skills that are in high demand on the job market and in many professions.

All students are welcome to sign up for the Buddy-Programme either as experienced student or as new international student and participate in the Buddy-Events:

■ Semester Kick-Off:

Excursion to Oberstdorf | April 30, 2017

■ Buddy-Event:

Bicycle Tour Blautal | Mai 27, 2017

■ Meetings:

Mai 18 | June 8 | July 6, 2017

■ Semester Ending:

Fischerstechen | 16. Juli 2017
