The Baden-Württemberg SCHOLARSHIP at Ulm University

The Baden-Württemberg SCHOLARSHIP for University Students supports the international exchange of highly qualified German and international students. With the Baden-Württemberg SCHOLARSHIP for University Students the Baden-Württemberg Foundation enables some 1,200 young people a year from all over the world to study in a foreign country. The exchange is based on reciprocity: The scholarships are divided equally between applicants from Baden-Württemberg universities and their partner universities abroad.

Target Group

At Ulm University these scholarships are exclusively available for exchange students from selected non-European (non-ERASMUS) universities which have supported the student exchange with Ulm University.

Undergraduate as well as graduate / postgraduate students accepted for a full exchange semester or exchange year to take courses from academic programs at Ulm University are eligible for the Baden-Württemberg SCHOLARSHIP.

Students coming for research / lab work or studying for a degree are not eligible for the Baden-Württemberg SCHOLARSHIP.

Scholarship Distribution Policy at Ulm University

The Baden-Württemberg Stiftung assigns a fixed scholarship budget per academic year to each of the higher education institutions in Baden-Württemberg. Due to a higher intake of exchange students and a growing number of exchange partners worldwide Ulm University has been forced to change its strategy of distributing the Baden-Württemberg Scholarship. This policy is a more strategic one, putting emphasis on selected partners and / or depending on the exchange balances. As a consequence of this new distribution strategy mainly partners with unbalanced exchange numbers (more incoming exchange students to Ulm University than outgoing exchange students from Ulm University to partner) will be affected and thus lose Baden-Württemberg SCHOLARSHIPS.
Scholarship Rates and Duration

Scholarship rates and periods may vary according to variations in budget. Regular rate awarded by Ulm University:

- 1-semester incoming exchange students: 4 x 600 Euro maximum (2,400 Euro total)
- full academic year = 2 semesters incoming exchange students: 6 x 600 Euro maximum (3,600 Euro total)
