

W-LAN access

To get access to our wireless lan network you need to connect to the network „welcome“ first. Then go to URL www.uni-ulm.de in your browser - you will be redirected to the login page (try to reload the page if it does not work immediately).

Insert username and password (Benutzername / Kennwort)* as seen below and hit the Login button.

***You will receive the password at the conference**

We also have several Notebooks and a printer available for you at the conference.
