

How to apply - Step 2: **Application Form**

- **Access:** The application form is provided by the “Energy Science and Technology” office. You will get access to it during the application period both on the “Energy Science and Technology” homepage and in the course of the online registration procedure.
- **File:** The application form is available as **excel file (.xls)** and as **open office file (.ods)**. Save the file you want to use on your computer.
- **Finish online registration first** by submitting your data online before starting to complete the application form.
- **Completing the form** will take some time. Use either Microsoft Excel or an open office spreadsheet program. Forms completed in handwriting are not accepted.

Data you will be asked to enter in the application form:

- **Application number** you received during online registration (cover sheet).
- **Information on the grading system at your university:** Does a credit point or credit hour system exist? Maximum grade attainable and minimum passing grade for bachelor courses and for final bachelor grade respectively.
- **Final grade** of your bachelor degree or **cumulative grade point average (CGPA)/current average grade** of all courses you attended in the bachelor program so far if you haven't finished the bachelor program yet.
- **Courses in Mathematics, Physics, Chemistry, Energy Science, Materials Science, Engineering:** Course title, number of credit points/credit hours earned, grade achieved.
- **Complete contact data of the two university professors** who will write/have written reference letters for you.

Please find the info-sheet “**How to Complete the Application Form**” (pdf download) designed to assist you in completing the application form on the EST homepage.

Submission of application form

- **Save** the form on your computer.
- **Send** it as attachment **by e-mail** to “Energy Science and Technology”
nawi.energy-sci-tech@uni-ulm.de
- **Send** a hard copy version of the form along with the other documents to “Energy Science and Technology” **by regular mail**:
