Declaration in case of cumulative thesis (≥3 publications, ≥2 of them must be accepted in refereed distinguished journals)

Complete reference of publications + according to PO 2016 §10(3):
In the case that parts of the thesis were prepared with co-authors the individual contribution of the doctoral candidate must be definable and assessable in all articles. The candidate must submit a declaration about his/her contribution. This declaration must be signed by the supervisor.
(on separate sheet)

The following co-authors were involved in the publications (possibly: to my knowledge NN=given name + family name have requested admission to a doctoral procedure or finished it and have used parts of the publications)

Given name, family name, acad. degree/contact

Given name, family name, acad. degree/contact
