

**Mini-Symposium Institute of  
Comparative Molecular Endocrinology**

**04<sup>th</sup> July 2017 | 10:00 am – 12:30 pm**

**room 123, O27**

*Welcome remarks*

**10:00 am**

**Prof. Dr. Michael Weber**

President of Ulm University

**Prof. Dr. Jan Tuckermann**

Director of the Institute of Comparative  
Molecular Endocrinology, Ulm University

*Talks*

**10:15 am**

**Prof. Dr. Moien Kanaan**

Faculty of Science, Bethlehem University,  
Palestine

*„Genomic approaches towards  
recessive disorders“*

**10:45 am**

**Prof. Dr. Ari Elson**

Department of Molecular Genetics,  
The Weizmann Institute of Science, Israel

- 11:15 am** *„For and against: tyrosine phosphatases and cancer”*  
**Coffee Break**
- 11:30 am** **Prof. Dr. Benjamin Geiger**  
Department of Molecular Genetics,  
The Weizmann Institute of Science, Israel  
*„The mechanobiology of cancer invasion”*
- 12:00 noon** **Prof. Dr. Jan Tuckermann**  
Institute of Comparative Molecular  
Endocrinology, Ulm University  
*„Glucocorticoids, regulators of inflammation, metabolism and bone”*

**A warm welcome to everyone interested!**

**Participation will be free.**

**Prof. Dr. Jan Tuckermann,**  
Institute of Comparative Molecular  
Endocrinology
