Starting point: railway station (Bahnhof) Blaubeuren.

Blaubeuren 13.04.13

Dear students, dear mentors, dear senior consultants,

Blaubeuren in spring landscape, a highlight for all photo enthusiasts!

We are meeting on Sunday, 12th May at 11 a.m. at the railway station in Blaubeuren, which is comfortable to reach by train from the main station in Ulm

(departure at 10.33 from the platform 5a, arrival in Blaubeuren at 10.51, no extra costs with the DING-semester ticket).

We are going to wander through the beautiful Blaubeuren where you'll find plenty of photo motives, like the old town or the famous "Blautopf" (blue pot, one of the biggest sources in Europe, where the river Blau originates which then drains in Danube in Ulm). The monastery of Blaubeuren also offers some interesting photo motives.

There is a possibility to have a common meal in an inexpensive restaurant and also a little rest in Naturfreundehaus (house of people who like nature) in Ried of Blaubeuren is planned. The walking distance is about 6 km. The excursion ends at about 5 p.m. at the station of Blaubeuren. Sturdy shoes as well as wind and weatherproof clothing are required. Please also make sure that you won't forget your camera with full battery and enough space on your SD-card.
