

ASSIST

Invitation to foreign students of the English master courses of Ulm University and to SeniorConsultants

JOUR FIXE: May 5th, 2009

“Europe today”

We invite all foreign students of Ulm University's international master study courses and SeniorConsultants to come to the 12th Jour fixe of “ASSIST”. This name stands for the project “**A**ctive Partnership and **S**upport of **S**eniorConsultants for **I**nternational **S**tudents” of Ulm University.

In the first week of May there are two “Europe days”, one on May 5th, which reminds to the foundation of the European Council in 1964. And on May 9th, which reminds to the announcement of the idea of the French foreign minister Robert Schuman for the foundation of the “European Coal and Steel Community” (in German: Montanunion), a first step to the European Union (EU) we know nowadays.

During our Jour fixe the EU shall be introduced but we also will focus on your attitudes and experiences with the EU.

What is the “inside view” of SeniorConsultants and what is the view of the students who mainly come from the outside? It is certainly interesting to compare the opinions.

This time **we meet at the University**, area West, **Albert-Einstein-Allee 47, room 47.2.280** on **May 5th, at 7 o'clock**. The building is between the bus stops “Wilhelm-Runge-Straße” and “Uni West”, bus no. 3 or 5.

The “Jour fixe” takes place regularly in every month. It offers you the opportunity to get in contact with each other to exchange experiences, to get to know about Germany, its language and culture. And it can be the starting point for further common activities.
