

Invitation to a plant tour of Bosch Rexroth Mobile Hydraulics, Elchingen

Dear Students, dear Senior Consultants,

I would like to invite you to a plant tour at Bosch Rexroth in Elchingen, the Head Quarter of Bosch Rexroth Mobile Hydraulics (BRM).

For further information see:

www.boschrexroth.com/business_units/brm/en/index.jsp

Out of the large product range, in Elchingen mainly axial piston units are developed and produced. BRM is World Market Leader with these products.

After an introduction in the company, we will have a guided tour through the plant.

Date: February 25, 2010, 1:45 p.m., duration 2 ½ hours.

We meet 5 minutes before in front of the main entrance East, Glockeraustraße 2, Bus Stop Glockerau I.

Bus connections:

- 1) Outward journey:
 - 13:10 h departure Ulm ZOB, platform 1, regional bus line 850 (direction Günzburg)
 - 13:35 h arrival Oberelchingen, Glockerau I.

- 2) Return journey:
 - 17:04 h departure Oberelchingen, Glockerau I
 - 17:30 h arrival Ulm ZOB

The bus route is within the DING Network and the Student Cards are valid. Therefore, there will be no costs for the bus.

In case you are interested in this plant tour, please confirm your participation to my e-mail-address no.bea@web.de until February 19, 2010.

Best regards,
Norbert Rückgauer
