

Invitation to PhD students of the International Graduate School in Molecular Medicine Ulm and their mentors

JOUR FIXE: December 1st, 2009 *“Places of interest”*

We invite the PhD students of the International Graduate School in Molecular Medicine of Ulm University and their mentors to come to the 11th Jour fixe of “M4M”, the programme “Mentorship for Molecular Medicine PhD Students”.

During the Jour fixe meeting in December we would like to focus on possibilities of excursions to places of interest and visits of landmarks which maybe are not in the first place in travel guides. We want to collect personal proposals by mentors. Also cheap travel possibilities by public transport shall be highlighted. Background is the forthcoming Christmas time and New Year at which some of you might have

some leisure time and ask themselves what to do best. This Jour fixe may also be a starting point for mentors and PhD students to plan something together like a common visit of a sight or something similar.

If you are interested in this Jour fixe then come to the Villa Eberhardt (Heidenheimer Straße 80, Ulm) on **Tuesday, December 1st, 2009 at 7 pm.**
You are very welcome!

The “Jour fixe” takes place regularly in every month. It offers you the opportunity to get in contact with each other to exchange experiences, to get to know about Germany, its language and culture. And it can be the starting point for further common activities.
