

Invitation to PhD students of the International Graduate School in Molecular Medicine of Ulm University and their mentors

JOUR FIXE: July 7th, 2009

“Application procedure in Germany”

We invite the PhD students of the International Graduate School in Molecular Medicine of Ulm University and their mentors to come to the 6th Jour fixe of “M4M”. This name stands for the programme “Mentorship for Molecular Medicine PhD Students”.

Some of the PhD students think about staying in Germany after having finished their studies and they will apply for a job. We have invited a placement officer, Mr Wirsching, of Ulm’s agency of the Federal Employment Office. He will describe the application procedure in Germany. But he is also at your disposal for questions. It is also worth discussing the work life experiences from the view of mentors.

If you are interested in this Jour fixe just come to **Villa Eberhardt**, to the **seminar room in the 1st floor** (Heidenheimer Str. 80, 89075 Ulm, bus stop “Steinhövelstraße”) on **Tuesday, July 7th, 2009 at 19 o’clock**.

The “Jour fixe” takes place regularly in every month. It offers you the opportunity to get in contact with each other to exchange experiences, to get to know about Germany, its language and culture. And it can be the starting point for further common activities.
