

Invitation to PhD students of the International Graduate School in Molecular Medicine of Ulm University and their mentors

JOUR FIXE: August 4th, 2009

***“Bundesfestung Ulm /
Confederative fortification Ulm”***

We invite the PhD students of the International Graduate School in Molecular Medicine of Ulm University and their mentors to come to the 7th Jour fixe of “M4M”. This name stands for the programme “Mentorship for Molecular Medicine PhD Students”.

You certainly have seen already parts of the “Bundesfestung Ulm”, Germany’s largest fortification, in the town. 150 years ago it was finalised. It has influenced the town’s history and is still important for the town. We will walk along some parts of the Bundesfestung, there will be some explanations and at last we finish our walk in the Friedrichsau park in a beer garden.

If you are interested in this Jour fixe just come to our meeting point **Willy-Brandt-Platz** on **Tuesday, August 4th, 2009 at 19 o’clock**. You are welcome!

The “Jour fixe” takes place regularly in every month. It offers you the opportunity to get in contact with each other to exchange experiences, to get to know about Germany, its language and culture. And it can be the starting point for further common activities.
