Dear students and senior consultants,

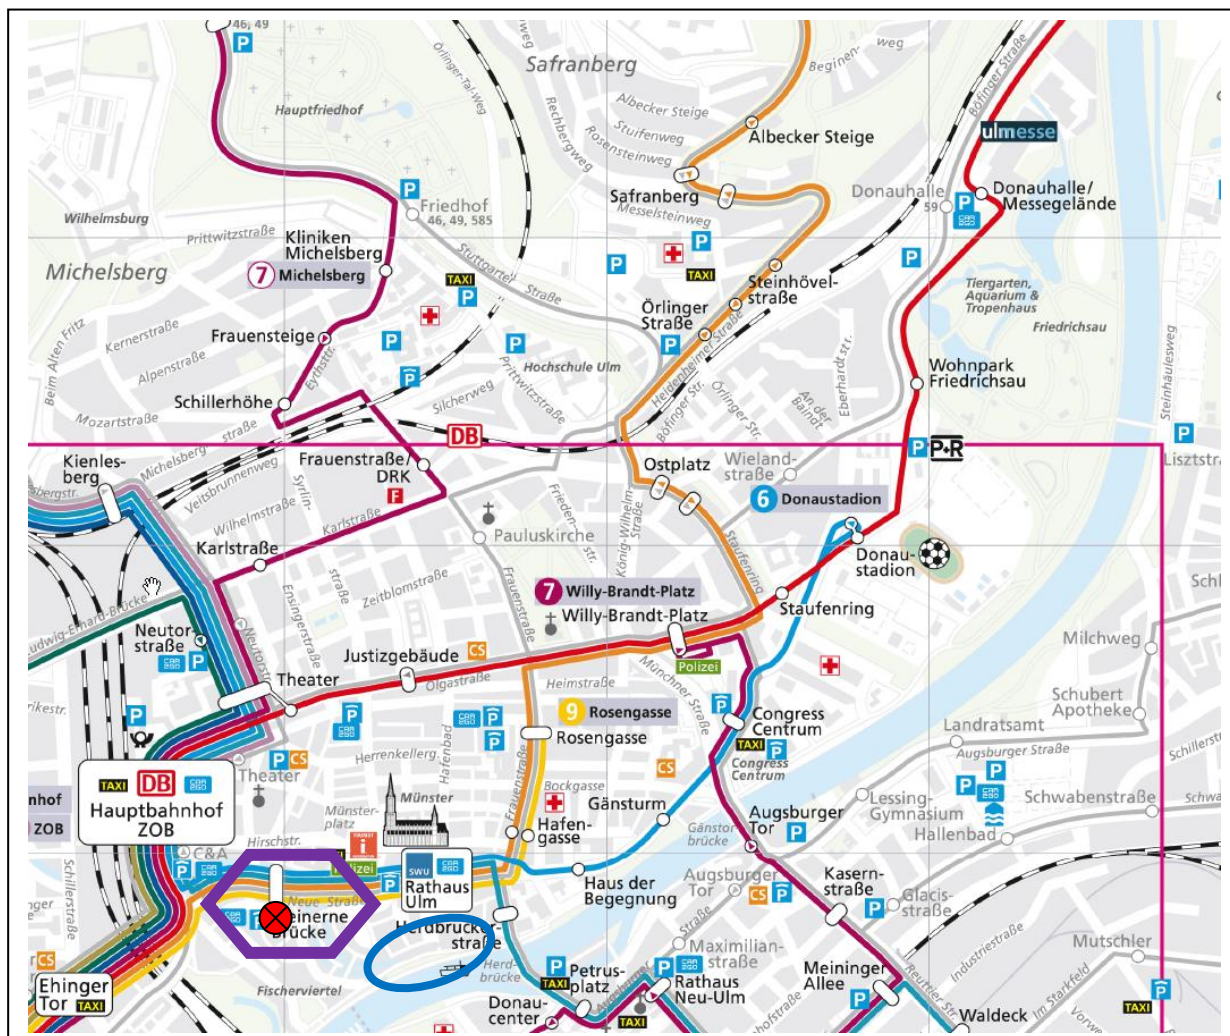

Invitation to the ASSIST event on *Saturday 28<sup>th</sup>, 2010* at 4:00 p.m.  
*on the occasion of International Danube Festival 2010*

For official information like program, photos and movies, see please: [Link to Donau Festival](#)

**From August 27<sup>th</sup> until September 5<sup>th</sup>, 2010**, a unique event is celebrated in Ulm and Neu-Ulm especially along the banks of the Danube (Donau) River, the so called "International Danube Festival 2010. All countries through which the Danube flows through it, are represented in the festival. with music and dance groups, sales of handicrafts and last but not least, good food and drinks from the different Danube-countries, like Germany, Austria, Slovakia, Hungary, Croatia, Serbia, Rumania, Bulgaria, Moldavia, and Ukraine. We would like to sit together on the shore of the Donau enjoying the atmosphere and the food and drinks offered. Later on there is an opportunity for listening to the folk music in the wine-village or shopping or at least feel and touch the handicrafts.

The meeting point is the bus stop “Steinerne Brücke” in Ulm (there are 2 stops along both lanes opposite of each other, we will meet at the stop close to Fischerviertel), marked as purple hexagon on the map below at **4:00 o’clock p.m.** from where we will go to the banks of the Donau River marked as blue ellipse above.

**I would very much appreciate if you informed me no later than Friday, September 27<sup>th</sup>, 2010, 10:00 p.m. by return email about you participation.**

Best regards,  
**Your ASSIST-Team**  
Eberhard Theile
