Dear students and senior consultants,

For more photos see please: <http://www.kaixo.de/galerie/Nabada%202006/index5.html>

**Next Monday, July 19<sup>th</sup>, 2010**, a unique event is celebrated at the Danube (Donau) River in Ulm and Neu-Ulm, the so called "Nabada", which means more or less to swim or move down the river on all kind of decorated boats. The population of Ulm and Neu-Ulm is in a state of exceptional circumstances at that day. Public live is concentrated along the river and in the amusement park Friedrichsau. In the afternoon shops are closed and people and the majority of students stop working to attend the parade actively on the river or passively as spectators from 3 o'clock on. After 2 hours of procession people amuse themselves in the Friedrichsau until midnight or later in one of the many Biergardens partly entertained with live music.

Here is some more information on the background of the "**Oath Celebrations**" this week and especially the "**serenade on lights**" you should not miss this Saturday night:

Your senior consultants would be very much pleased, if you will take time and celebrate with us “Nabada” and afterwards a sit together in a Biergarten.

Get to know German „Gemütlichkeit” and forget your challenging studies for some hours.

We will pick you up at the train stop “**Wohnpark Friedrichsau**” ( marked as hexagon on the map below ) at **3:45h p.m.** and jointly go down to the Danube River near the bridge connecting Ulm Friedrichsau with Neu-Ulm (blue ellipse ). Our sit together is planned to take place at “Liederkranz” to listen to live music of **3 Acoustic Guitars & Friends - Acoustic Revolution** → <http://www.biergarten-liederkranz.de/veranstaltungen.html?PHPSESSID=u5j62nusolb2octk0kgs31q3b2>

If you will come later than 3:45h p.m. please call me under my **cellular phone number 0172 37 28 680** to ascertain about the current location of meeting. May be we have to resort to a different Biergarten because of big crowd.

[I would very much appreciate if you would inform by return email about you participation and especially at what time you plan to arrive at Friedrichsau.](#)

Best regards,  
 Your ASSIST-Team
