

Ulm, 09-SEP-2010

Dear Students and Senior Consultants,

*Invitation to a guided tour through the old town of Ulm
on Wednesday, 15-SEP-2010, 5:00 p.m.*

Meeting point: At the main entrance of the Münster

Ulm at 1490

Next week our **Senior Consultant Hannelore Bürgers** will make a guided tour through the old town of Ulm and will inform you on facts of the long history of Ulm (first buildings were established already around 850 B.C.), and will make you familiar with many public and private buildings like the town hall, guild houses and its functions, the houses of the rich patricians, the fortification (wall, towers, bastions) of the middle ages and modern times. You will also hear one or the other interesting story that has happened, e.g. the reason why the so called Metzgerturnm [tower of the butchers] is leaning.

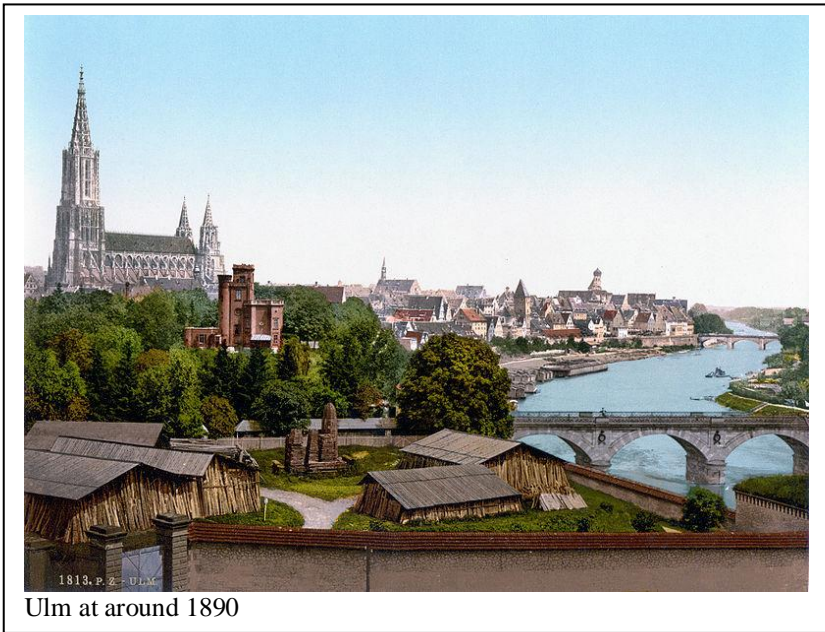

She will pass with you some of the most important and interesting museums and encourage you for a later visit

Details of the tour you will be guided:

- Around the Münster cathedral and a visit inside
- Quarter of fishers and tanners
- Town hall and its unique paintings

Enjoy this 2 hours tour with Hannelore and receive an enduring memory of your place of study.

The friends of photography will surely benefit from the tour and will get unique photo opportunities.
