

Invitation to PhD students of the International Graduate School in Molecular Medicine Ulm and the M4M mentors

“2010 M4M welcome evening”

Wednesday, February 3rd, 2010

19.30 Uhr / 7.30 pm

Villa Eberhardt

We invite the PhD students of the International Graduate School in Molecular Medicine of Ulm University and the M4M mentors to come to the “2010 M4M welcome evening”. M4M stands for “Mentorship for Molecular Medicine PhD Students”.

During the evening we would like to explain M4M: what happens within the programme, how easily you can participate, what is planned for the near future. And please tell us also about your ideas! The evening shall be the starting point for common activities with all of you in 2010.

The M4M welcome evening will be on February 3rd because we will shift the monthly Jour fixe from now on to the first Wednesday of a month. So it is as well a starting point for new Jours fixes in 2010, which are thematical evenings.

We will start the evening with a small dinner. So it would be nice if you could tell us in advance if you are going to come to know about the approximate number of participants. Please send an email to Ralph Schneider (ralph.schneider@uni-ulm.de) until noon of Monday, February 1st, 2010 for your registration.

The M4M welcome evening takes place in the university's Villa Eberhardt: Heidenheimer Straße 80, Ulm (close bus stop: Steinhövelstraße).
You are very welcome!
