## Our childcare centres offer:

- opening hours tailored to working hours
- as a rule, centres are closed not more than 5 days per year
- close educational partnership between parents and educational staff
- room and time for independent learning, experience and development
- spacious outdoor facilities and room for exercise
- professional language training integrated in daily activities already in the crèche

## Children – the centre of our attention

We will be happy to show you our facilities. Please arrange an appointment with the head of the crèche or the kindergarten.

Every time we teach children something we prevent them from discovering it themselves. However, if we let them investigate it on their own, it will stay with them ... throughout their lives.

Jean Piaget
