

Course "Manager for virtual learning projects in Europe in the area of working with senior students"

Timetable

TvL – Technical basis for virtual learning –

Duration: 4 weeks (June 16th to July 14th, 2006)

The course „TvL“ consists of six parts introducing different ways of using the internet (especially new communication possibilities) in virtual learning situations. The topics are:

1. "Mailing lists": *June 16th to June 22nd*
2. "Attachments": *June 20th to June 26th*
3. "Chat": *June 23rd to June 28th – the 1st course chat will be held on Tuesday, June 27th, 17.00 o'clock / 5 pm (Central European Summer Time)*
4. "Discussion forum": *June 29th to July 4th*
5. "Hints and tricks using discussion forums": *July 5th to July 10th – the 2nd course chat will be held on Thursday, July 6th, 17.00 o'clock / 5 pm (Central European Summer Time)*
6. "Closing unit: experiences made with virtual learning": *July 11th to July 14th – the 3rd course chat will be held on Wednesday, July 12th, 17.00 o'clock / 5 pm (Central European Summer Time)*

TvL is an online course, so you may attend the different parts on dates of your personal choice. But please make sure not to miss the chat dates, it would be nice if all participants could take part in it.

We wish you new and good experiences!
