University in Emergency Mode because of Coronavirus

Dear Partners,

Ulm University has decided to close the University from Thursday, 19 March 2020 (6:00 p.m.) onwards. This is a necessary measure to help contain the further spread of the new coronavirus (SARS-CoV-2) and in particular to protect risk groups from infection. This may cause delays in our project work and deliverables. We therefore kindly ask for your understanding.

Should there be any questions please feel free to contact the project manager.

Kind regards

D. Kaufmann
