Grant Application Guidelines

Funding comprises travel costs, accommodation, daily allowance, course fees and visa costs. A prerequisite for the approval of funding is an active participation.

Applications have to be submitted to the ProTrainU office at least 4 weeks in advance to the journey. After the journey a short report (approx. 1 page) about the event must be submitted to the ProTrainU office.

Travel costs

For the reimbursement of travel costs original travel documents must be provided together with the form Travel Reimbursement Request.

Costs for meals will be reimbursed on the basis of a daily allowance (“Tagegeld”). The amount varies depending on the travel destination and the length of the stay.

For travelling by air or train economy class/2nd class tickets have to be used. Taxi fares shall only be reimbursed where no reasonable public transport is available. An explicit justification is needed.

Please note that ProTrainU will only reimburse actual travel expenses, no matter if an application has been accepted for a higher amount in advance.
