

## Corona Info Sheet – Current Information on Your Arrival and Your Stay in Ulm

Due to the COVID-19 pandemic, there are a number of special regulations concerning entry into Germany. These rules are relevant for those entering the Federal Republic of Germany by land, sea, or air as well as those who have stayed in a so-called risk area during the 10 days preceding entry.

The current COVID-19 risk areas are listed on the Robert-Koch-Institute (RKI) website:

[https://www.rki.de/DE/Content/InfAZ/N/Neuartiges\\_Coronavirus/Risikogebiete\\_neu.html](https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete_neu.html)

### What if I have already been vaccinated or have recovered from COVID-19?

Proof of vaccination or of recovery from COVID-19 can exempt you from the negative test and quarantine requirements. This does not apply if you have spent time in an area of variants of concern prior to entry.

**Please note: Since Thursday, 3 March 2022, no states or regions have been considered high-risk areas.** For the time being, the obligation to quarantine will be in force at least until 19 March 2022.

### Which rules apply to me? What do I need to do when?

I spent the past 10 days in:	Before Entry	After Entry	Remarks
<b>High-risk area</b>	<ul style="list-style-type: none"> <li>Online registration (see link below)</li> <li>Negative test result (maximum 48 hours old) or proof of full vaccination or recovery</li> </ul>	<ul style="list-style-type: none"> <li>10-day Quarantine*</li> </ul>	*Exceptions for vaccinated and recovered persons (submit proof via online registration)
<b>Area of variants of concern</b>	<ul style="list-style-type: none"> <li>Online registration (see link below)</li> <li>Negative test result (maximum 48 hours old) or proof of full vaccination or recovery</li> </ul>	<ul style="list-style-type: none"> <li>14-day Quarantine**</li> </ul>	**Quarantine cannot be ended early with proof of vaccination/recovery <i>Please note: Some entry &amp; movement restrictions</i>
<b>Not a risk area</b>	<ul style="list-style-type: none"> <li>Negative test result (maximum 48 hours old) or proof of full vaccination or recovery</li> </ul>	<ul style="list-style-type: none"> <li>No obligations</li> </ul>	
<b>Online registration:</b> <a href="https://www.einreiseanmeldung.de/#/">https://www.einreiseanmeldung.de/#/</a>		<b>Further information of the Federal Ministry of Health:</b> <a href="https://www.bundesgesundheitsministerium.de/en/service/gesetze-und-verordnungen/guv-19-lp/coronavirus-einreiseverordnung.html">https://www.bundesgesundheitsministerium.de/en/service/gesetze-und-verordnungen/guv-19-lp/coronavirus-einreiseverordnung.html</a>	
<b>The Corona rules in Baden-Württemberg:</b> <a href="https://www.baden-wuerttemberg.de/en/service/aktuelle-infos-zu-corona/corona-information-in-other-languages/">https://www.baden-wuerttemberg.de/en/service/aktuelle-infos-zu-corona/corona-information-in-other-languages/</a>			

**FFP2 masks or surgical masks** are required **in public spaces and on public transportation** in Baden-Württemberg. **On campus only FFB2 masks** are accepted.

For any questions concerning Corona you can contact the Baden-Wuerttemberg **phone hotline in German, English, Arabic, Russian or Turkish**: +49 (0) 711 41011160, available Monday to Friday 9 a.m. – 5 p.m.

### **How can I arrange food delivery during quarantine?**

If you need a supply of meals during your quarantine period, please contact the Studierendenwerk to book a quarantine meal package: [wohnen@studierendenwerk-ulm.de](mailto:wohnen@studierendenwerk-ulm.de)

### **Where can I get a Corona test?**

Corona tests can be taken directly at the airport after your arrival, at a test center in Ulm (see: <https://www.ulm.de/0/zsddv/corona-testzentren>, website only in German), or at a doctor's office in Ulm. Here is a centrally located doctor's office offering testing: Dr. med. Bora Akyürek, Wengengasse 25 in Ulm, Tel. +49 (0) 731/66264, <https://doktorbora.de/kontakt/>

**Please note:** Call the doctor's office before going there! Please take proof of health insurance with you to your appointment (e. g. EHIC – European Health Insurance Card or travel health insurance). The test costs 80 €.

### **Where can I get vaccinated?**

On the website Dranbleiben-BW you can see the upcoming vaccination events in Ulm: <https://www.dranbleiben-bw.de/en/>

If you received a full course of a vaccine that is **not currently recognized by the EU**, you are formally considered as unvaccinated in Germany. In situations requiring 3G proof (Geimpft – Getestet – Genesen, in English: Vaccinated – Tested – Recovered), you must present a negative test. **Our recommendation:** Receive an additional vaccine that has been recognized by the EU. Please contact a doctor for individual advice.

### **Do I need to be tested for COVID-19 if I want to attend in-person classes?**

The 3G rule (Geimpft – Getestet – Genesen, in English: Vaccinated – Tested – Recovered) applies to participation in on-site courses and examinations. The Corona negative test must not be older than 24 hours of a rapid antigen test and 48 hours of a PCR test.

**Wearing an FFP2 mask is mandatory** in all rooms and areas designated for study use. An exception exists when giving a presentation.

**We wish you all the best for your studies at Ulm University ... and stay healthy!**
