

# How to reach the Institute of Optoelectronics

## Address

Institute of Optoelectronics  
University of Ulm  
Albert-Einstein-Allee 45  
89081 Ulm

Secretary: Room 45.4.205  
Phone +49-731-50 26050  
Fax: +49-731-50 26049  
Web: [www.uni-ulm.de/opto](http://www.uni-ulm.de/opto)

## How to reach us by plane

- From Stuttgart Airport

1. By car rental: Get on freeway A8 to München-Ulm. Take exit *Ulm West* to Ulm. After about 5 km follow exit *Universität*. Distance is about 75 km, ride takes about 60 min. More details in [“How to reach us by car”](#).
2. By train: Take S-Bahn S3 to Stuttgart main station (25 min). The train (preferably ICE, IC or EC) takes you to Ulm (55 min). The local bus will get you from Ulm main station up to the University (25 min). More details in [“How to reach us by train and local bus”](#).

- From Munich Airport

1. By car rental: Get on freeway A92 and subsequently A8 following the signs to Ulm-Stuttgart. Take exit *Ulm West* (not *Ulm Ost*) to Ulm. After about 5 km follow exit *Universität*. Distance is about 150 km, ride takes about 1h 40 min. More details in [“How to reach us by car”](#).
2. By train: Take S-Bahn S8 to Munich main station (40 min). The train (preferably ICE, IC or EC) takes you to Ulm (1h 10 min). The local bus will get you from Ulm main station up to the University (25 min). More details in [“How to reach us by train and local bus”](#).

## How to reach us by train and local bus

The train gets you to Ulm railway station. From outside the station you can find on the right side the central bus stop (ZOB). The bus line number 3 or 5 depart from the stop H1. The direction is *Wissenschaftsstadt* (university) or *Science Park II*. The bus stop *Uni West* is reached after about 25 min. You will know the University West building by its colorful exterior. The Institute of Optoelectronics is located at Albert-Einstein-Allee 45. Unfortunately the main entrance is rather hard to find. It is located at the opposite side of the building which is the south side. You can reach it by following the sign “Anlieferung Hörsäle”, passing the barrier, and going along the parking place. Inside the building there are sign-posts leading you to the rooms 45.x.x of the Institute of Optoelectronics.

## How to reach us by car

You can reach Ulm by car via the autobahn A-8 (Munich, Stuttgart) or the A-7 (Würzburg, Kempten).

- If you come via the A-8, you change at *Ulm West* to the Federal Highway B-10 in the direction of *Ulm, Friedrichshafen*. Leaving this road at the second exit leads you to *Universität, Wissenschaftsstadt* (university). After turning left at the traffic lights in the direction of *Universität*, you are reaching the Albert-Einstein-Allee.
- If you come from south direction via the A-7, you leave the autobahn at *Hittistetten* in the direction of *Ulm*. Now the Federal Highway B-10 leads you through the city of Ulm and subsequently one tunnel (Ruhetalbergtunnel). Leaving this road at the following exit leads you to *Universität, Wissenschaftsstadt* (university). After turning left at the traffic lights in the direction of *Universität*, you are reaching the Albert-Einstein-Allee.

You will know the University West building by its colorful exterior. The Institute of Optoelectronics is located at Albert-Einstein-Allee 45. Unfortunately the main entrance is rather hard to find. It is located at the opposite side of the building which is the south side. You can reach it by following the sign “Anlieferung Hörsäle”, passing the barrier and going along the parking place. Inside the building there are sign-posts leading you to the rooms 45.x.x of the Institute of Optoelectronics.
