

A grayscale photograph of a car's interior, showing a person driving and another person in the passenger seat. The image is semi-transparent and serves as a background for the top half of the page.

Looking for a Research Internship?

The Human Factors department is looking for a research intern.

Your tasks:

- Together with a researcher you will develop a research question and program an experiment (video-study in PsychoPsy)
- You will conduct the experiment independently
- You will statistically analyze the raw data (R or SPSS)

Your profile:

- You are enrolled in a B.Sc. or M.Sc. programme in Psychology, Cognitive Systems, Computer Science, or in another related field
- You are interested in Human Factors research
- You are good at working independently and
- Motivated to learn or deepen new skills (programming in Python 3, PsychoPy, cognitive modeling)

You can expect:

- Gaining insight into an interdisciplinary research field
- A pleasant and motivating work climate

Working hours: flexible (home office)

Do you have any question? Feel free to contact us!

We are looking forward to receiving your CV and letter of motivation to the following e-mail addresses: noemi.foeldes@uni-ulm.de; tanja.stoll@uni-ulm.de
