Faculty of Engineering, Computer Science and Psychology

Courses offered by the Engineering Department

Thank you for your interest in Ulm University!

If you wish to find out which courses will be offered by the Engineering Department during the semester(s) of your visit, please follow these steps:

**Step 1:** Visit Ulm University’s “Campus Online” website at [https://campusonline.uni-ulm.de/](https://campusonline.uni-ulm.de/)

No login or password is needed to access these pages.

**Step 2:** Change the language to English by clicking on the UK flag in the upper right corner, and then, just to the left, select the semester that you will visit Ulm University.
**Step 3:** Now select the menu item “Courses” (top row), and then click on “Search for Lectures” in the left column. In the field “Department,” please enter “Ingenieurwissenschaften” (German for “engineering”). Finally, press the button “Start search” at the bottom of the page.

**Step 4:** You should now see a list of all courses taught by the Engineering Department in the selected semester (shown at the top right of the page). For detailed information about a particular course, simply click on its name.

If you have difficulties or questions, please contact the Program Coordinator, Dr. Margarita Puentes-Damm: margarita.puentes-damm@uni-ulm.de
