

Cognitive Systems (MSc) – Letter of Acceptance

Application-No.: _____ (as stated in your letter of admission)

Family name, given name (*block capitals*): _____

If you want to accept the place in the Master's Programme in Cognitive Systems you have to return the filled in and signed 'Letter of Acceptance' by e-mail to cogsys@uni-ulm.de.

The letter of acceptance must be received by **26 July 2026**; otherwise, we may not provide any support for you.

I accept the place in the MSc Programme Cognitive Systems, beginning with the winter semester 2026/27. I understand that this acceptance will only be valid if I pay the administrative fee of 192 Euro within two weeks after signing and returning this acceptance letter.

I understand that formal enrolment into the programme requires proof of graduation with a bachelor's or equivalent degree as well as proof of the required English knowledge.
If you send your enrollment documents by post, then the Student Administration and Examinations Office needs an official certification of your bachelor's degree, the transcript of records and the translation (in case the original is not in English). An official translation is an official confirmation that a copy is identical to the original document. The confirmation needs to be issued by an authorized German public authority, the German embassy or a German notary.

I understand that formal enrolment must take place on or before the deadline stated in my admission letter.

Date: _____

Signature: _____

Please return the completed and signed letter to cogsys@uni-ulm.de by **26 July 2026** at the latest.
