4 Important Note

All rooms are let according to availability. We cannot guarantee a room. All accomodation units – not houses – are usually let to students of the same gender. The whole process is organised as follows:
The coordinator of the master programme Cognitive Systems at Ulm University will reserve a room in the student residences maintained by the *Studierendenwerk Ulm* for you **once you have**
(1) submitted your housing request form and
(2) transferred a security deposit of 1,000 Euro (housing deposit, first rent, fees) to the *Studierendenwerk Ulm* within two weeks after having sent this housing request form.
If you fail to pay within the given time frame, your application for a room reservation is considered void.
You will be asked to take over the rental contract once you have come here, by signing a contract with the programme management and agreeing to a direct debit authorisation with the *Studierendenwerk Ulm*.
The minimum rental duration is one semester. You may withdraw from this contract (for costs incurring in this context please refer to the document *Essential Information*) by sending a request to cogsys@uni-ulm.de. Ulm University will terminate the contract if you fail to enrol in time.

Place, Date *Signature*

Please return the completed and signed document to cogsys@uni-ulm.de by 26 July 2026 at the latest.
