

CIT (MSc) - Letter of Acceptance 2026

Application no.: _____ (as stated in your letter of admission)

Family name, given name (*block capitals*): _____

If you want to accept the place in the Master's Programme in Communication and Information Technology you have to return the filled in and signed 'Letter of Acceptance' by e-mail to ci-tech-admission@uni-ulm.de.

The letter of acceptance must be received by **10 January 2026**; otherwise, we may not provide any support for you.

☐ I accept the place in the MSc Programme Communication and Information Technology, beginning with the summer semester 2026. I understand that this acceptance will only be valid if I pay the administrative fee of 182 Euro to Ulm University within two weeks after signing and returning this acceptance letter.

☐ I understand that formal enrolment into the programme requires proof of graduation with a bachelor's or equivalent degree as well as proof of the required English knowledge.
If you send your enrollment documents by post, then the Student Administration and Examinations Office needs an official certification of your bachelor's degree, the transcript of records and the translation (in case the original is not in English). An official translation is an official confirmation that a copy is identical to the original document. The confirmation needs to be issued by an authorized German public authority, the German embassy or a German notary.

I understand that formal enrolment must take place on or before the deadline stated in my admission letter.

☐ I declare that I have fully understood the information provided on the website <https://www.uni-ulm.de/index.php?id=95611>
In particular, I declare that I have read and fully understood the information given in the document *Essential Information*, the therein enumerated documents required for enrollment, the foreign authorities, the housing offer, and insurances and accounts to be dealt with *prior* to my journey to Ulm.
