

# Job Title: Working student (m/f/d) in Allianz SE Risk Management / Solvency II narrative risk reporting

19729 | Risiko Management | Student/in | n.a. | Allianz SE | Teilzeit | Temporär

#StandwithUkraine

## Who are we?

Are you keen on driving innovation? Do you thrive in a culture of diversity, collaboration and trust? Then let's care for tomorrow. At Allianz SE, you can count on having a voice, driving innovation and change and making an impact – for us, yourself and the world.  
For more about Allianz SE, [Click Here](#).

## Who will you be joining?

The Risk Controlling SE (RCSE) team is responsible for the risk management of Allianz SE, its holding activities, and the Holding & Treasury subsegment. The working student position offers a chance to support in the preparation of the regulatory (Solvency II) narrative risk reporting, to develop a sound understanding of the risk profile of Allianz and to get a wide overview of risk and finance topics relevant for the insurance group.

## How can you make an impact?

- Support in regulatory (Solvency II) risk reporting process for Allianz SE (e.g. ORSA, Annual Report, SFCR/RSR) incl. further development of an integrated narrative reporting tool
- Support with respect to risk management tasks in the qualitative and quantitative risk area
- Project work on governance and risk topics

## What are you made of?

### Minimum Qualifications

- Enrolled in a Bachelor's or Master's degree program in a related field of study (such as business administration, economics, finance, or similar)
- Proficient spoken and written German and English language skills
- Strong command of MS Word, Excel, Powerpoint and analysis tools
- Strong skills in structuring and preparing complex written documents (German and English)
- Affinity to IT-based information management / reporting tools
- Ability to clearly communicate findings within the department and in Group Risk
- Attention to detail, thoroughness and ability to grasp new concepts quickly
- Demonstrated ability to work indecently on quantitative and qualitative projects
- Previous experience in business related functions (e.i. Sales, Operations, Claims, Underwriting, Investment Management, Asset Management, Consulting, Product Development, Finance, Market Management, Digital / Tech etc.) is a plus
- Requirement for internship and working student positions is the enrollment in a university – or (for an internship) a gap year
- We can only consider your application if you provide the following documents:
  - Certificate of enrollment (exception gap year)

- Valid Work and residence permit (for non-EU citizens). Please check before applying if you can work with your current VISA

## **Preferred Qualifications**

- Experience with SmartNotes or a similar information / reporting management software or editorial IT tool is a plus
- Experience in preparation of corporate narrative reportings is a plus
- Experience in the insurance and/or risk management industry is preferred
- First knowledge of Solvency II regulation is a plus

## **Do we have what you need?**

- Flexible working arrangements (opportunity to work from home few days per week)
- Individual and Excellent career development opportunities/plans
- Family friendly working environment
- Health & well-being offerings
- Company pension & health insurance
- Multi-national, diverse and inclusive community
- Opportunity to make an impact on our sustainability initiatives
