

# Job Title: Working student (m/f/d) in Accounting & Reporting #StandwithUkraine

#StandwithUkraine

## Who are we?

Are you keen on driving innovation? Do you thrive in a culture of diversity, collaboration and trust? Then let's care for tomorrow. At Allianz SE, you can count on having a voice, driving innovation and change and making an impact – for us, yourself and the world.  
For more about Allianz SE, [Click Here](#).

## Who will you be joining?

Group Accounting & Reporting (GAR) provides reliable, qualitative financial information to management, investors, analysts and the public in general through external reporting of Allianz SE and Allianz Group in the form of Quarterly and Annual Reports. GAR collects and consolidates the accounts submitted by all Group companies. Members of GAR ensure the adherence to the highest quality standards in accounting and financial reporting to support Allianz' s reputation as a top-tier global financial institution.  
This position is an ideal opportunity for students interested in perusing a career in accounting and learning more about the insurance industry. As part of our team, you will assist us in coordinating the planning and production of the half-year/annual report of Allianz Group, including the preparation of the Group Financial Statements. In addition, you will have the opportunity to apply your accounting knowledge and analyze balance sheets, consolidate figures, and report our financial data.

## How can you make an impact?

- Assist in the preparation of reports and quality assurance for internal reporting purposes
- Analyze the numbers of our international subsidiaries as part of the team
- Optimize and automate existing analysis tools
- Prepare consolidated financial statements for Allianz Group in accordance with IFRS and consolidate market value accounts according to Solvency II

## What are you made of?

### Minimum Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in Economics with a focus on international accounting
- Proficient in the use of Excel - able to maintain spreadsheets and run analyzes
- Capable to easily communicate in English and German
- Previous familiarity with Solvency II and SAP is a strongly preferred
- Previous experience in business related functions (e.i. Sales, Operations, Claims, Underwriting, Investment Management, Asset Management, Consulting, Product Development, Finance, Market Management, Digital / Tech etc.) is a plus
- Requirement for internship and working student positions is the enrollment in a university – or (for an internship) a gap year
- We can only consider your application if you provide the following documents:
  - Certificate of enrollment (exception gap year)
  - Valid Work and residence permit (for non-EU citizens). Please check before applying if you can work with your current VISA

## Preferred Qualifications

- Previous internship experience in Accounting or Reporting would be ideal
- Initial knowledge of international accounting (IFRS)
- Able to convey complex issues clearly and succinctly both orally and in writing
- Genuine interest in accounting and the insurance industry
- Demonstrate strong analytical and problem-solving skills as well as results-oriented attitude

## Do we have what you need?

- Flexible working arrangements (opportunity to work from home few days per week)
- Individual and Excellent career development opportunities/plans
- Family friendly working environment
- Health & well-being offerings
- Company pension & health insurance
- Multi-national, diverse and inclusive community
- Opportunity to make an impact on our sustainability initiatives
