

# **Job Title: Working Student (m/f/d) Group Technology Architecture & Innovation at Allianz SE**

**Job Start:** 01.09.2025

**Job Type:** Part-time (16-20hours/week) - Temporary

**Allianz student position**

We kindly ask you to upload pdf documents only and make sure your CV and motivation letter for this position are in English.

## **Who are we?**

Are you keen on driving innovation? Do you thrive in a culture of diversity, collaboration and trust? Then let's care for tomorrow. At Allianz SE, you can count on having a voice, driving innovation and change and making an impact – for us, yourself and the world. For more about Allianz SE, [Click Here](#).

## **Who will you be joining?**

The group center "Group Technology" drives technological and architectural transformation of Allianz Group in collaboration with product harmonization and the Business Transformation.

The team takes a holistic approach at providing a framework for continuous evolvement and advancement of technology at Allianz, as well as safeguarding its implementation, governance and usage.

If you are interested to gain insights into the structure of a key strategic function of a globally acting financial service provider, you are invited to join the team of Technology Architecture & Innovation. We offer modern work equipment in Central Campus location in Munich, close to the English Garden. Together, we will work on strategic IT topics and shape the future IT landscape of Allianz group.

## **How can you make an impact?**

You will be working directly with the head of our Technology Innovation Hub which scouts, evaluates, and incubates new technologies for the Allianz Group in close collaboration with our global technology innovation community and regional entities. From day one you will work in a fast-paced global environment and immediately take over dedicated projects you lead from concept to execution and success. We choose your responsibilities to fit your personal development goals while always stretching your comfort zone and giving you full end-to-end responsibility.

Key responsibilities include:

- Immersing yourself and create deep-dives for the global senior management on selected cutting edge technology trends
- Help lead our global technology innovation community and take responsibility for orchestrating your own workstreams
- Interact with high-profile external advisors and organize events
- Work with our global IT provider Allianz Technology and the business on incubating new technologies from understanding to value delivery

## **What are you made of?**

### **Minimum Qualifications**

- Bachelor/Master Student of Information Technology / Computer Science / Business IT
- Enrolled at university for the whole period of employment

- Proficient in working with MS Office (Excel, PowerPoint, Word, Project) and common applications such as mobile business solutions and Windows 10
- Fluent in English (German language knowledge is a plus)
- Technical knowledge: PowerPoint, Excel, upcoming technology trends
- Methodic knowledge: Structured, detail-oriented yet pragmatic approach to work, good visualization skills, excellent communication skills written and verbal, ability to navigate complex political environments and ambiguity
- We can only consider your application if you provide the following documents:
  - Certificate of enrolment (exception gap year)
  - Valid Work and residence permit (for non-EU citizens). Please check before applying if you can work with your current VISA
- Previous experience in business related functions (e.g. Sales, Operations, Claims, Underwriting, Investment Management, Asset Management, Consulting, Product Development, Finance, Market Management, Digital/ Tech etc.) is a plus

## Preferred Qualifications

- Passion for IT & Innovation
- Proactive personality with analytical, out-of-the-box, and solution-oriented thinking skills
- Ability to deliver results in ambiguous and flexible setting
- Previous experience in the area of strategy, innovation and/ or IT strategy is a plus

## Do we have what you need?

- Flexible working arrangements (opportunity to work from home few days per week)
- Individual and Excellent career development opportunities/plans
- Family friendly working environment
- Health & well-being offerings
- Company pension & health insurance
- Multi-national, diverse and inclusive community
- Opportunity to make an impact on our sustainability initiatives

## To Recruitment Agencies:

Allianz SE has an in-house recruitment team that sources great candidates directly. Therefore, Allianz SE does not accept unsolicited resumes from agency or search firm recruiters.

When we do work with recruitment agencies, that engagement is formalized by a contract. Fees will only be paid when there is a contract in place. Without a contract in place, we will not accept invoices on unsolicited resumes, even if the candidate was ultimately employed by Allianz.

Finally, please do not contact hiring managers directly.

Allianz Group is one of the most trusted insurance and asset management companies in the world. Caring for our employees, their ambitions, dreams and challenges, is what makes us a unique employer. Together we can build an environment where everyone feels empowered and has the confidence to explore, to grow and to shape a better future for our customers and the world around us.

We at Allianz believe in a diverse and inclusive workforce and are proud to be an equal opportunity employer. We encourage you to bring your whole self to work, no matter where you are from, what you look like, who you love or what you believe in. We therefore welcome applications regardless of ethnicity or cultural background, age, gender, nationality, religion, disability or sexual orientation.

**Great to have you on board.** Let's care for tomorrow.

*Note: Diversity of minds is an integral part of Allianz' company culture. One means to achieve diverse teams is a regular rotation of Allianz Executive employees across functions, Allianz entities and geographies. Therefore, the company expects from its employees a general openness and a high motivation to regularly change positions and collect experiences across Allianz Group.*
