

Announcement and Call for Abstracts

Joint Workshop on

„High-dimensional and Functional Data Analysis“

of the GR-IBS working groups

Nonparametric Methods and Statistic of Stochastic Processes

(AGs Nichtparametrische Methoden und Statistik Stochastischer Prozesse)

ulm university

universität

uulm

September 1 & 2 in Ulm

Invited Speakers:

Edgar Brunner, Göttingen
Antonio Cuevas, Madrid
Dominik Wied, Dortmund
Christian Gieger, München
Sonja Greven, München
Efstathios Paparoditis, Cyprus
Ulrich Stadtmüller, Ulm

Talk submission and registration:

Until **August 1, 2016** via email to Bernadette Maiwald (✉ bernadette.maiwald@uni-ulm.de).

Please add a short informal abstract (about 250 words) to your submission. .We are especially looking forward to submissions from young scientists.

Organization:

Markus Pauly, Ulm
Stefan Wagenpfeil, Saarbrücken
