Intern / working student in the field of Global Insurance Procurement (m/f/d)

Job Purpose/Role
Our Mission at Allianz Technology is Leading IT with you!

Leading IT means shaping the IT agenda of Allianz, providing leading IT solutions to Allianz and showing the confidence to lead... with you.

Be the IT provider of the Allianz Group to run, optimize, transform and innovate infrastructure, applications and services together with organizational entities to co-create the best customer experience.

The Global Sourcing & Procurement division of Allianz is located as a service provider in Allianz Technology. As part of Global Sourcing & Procurement, Global Insurance Procurement (Core Business Procurement) is driving international strategic negotiations & commercial topics with claims providers. These are for example providers for software, hospitals or pharmaceutical companies in the health sector of Allianz; providers for hardware or telecommunication in the telematics sector of Allianz; and providers for services, spare parts suppliers or body shops for car repair in the property&casualty sector of Allianz. Hence, we are providing a key service to support the core business of the Allianz Group. We are conducting local and international tenders and negotiations in order to identify best-in-class service providers and to create value for the whole group. We are handling a wide range of different providers, categories, insurance fields and collaborating on an international level. Depending on the abilities, knowledge and interests of our interns, we can offer a variety of diverse assignments and responsibilities. You will be part of our truly international team from day one and are supporting us in getting closer to our ambition – generating customer satisfaction and best in class conditions for the Allianz group

Key Responsibilities
- Supporting the whole purchasing process – starting with identification of suitable providers up to price negotiations and contract arrangements
- Collaborating with an international team of professional senior buyers
- Accompany senior buyers to meetings with stakeholders and providers
- Drafting, editing, monitoring an evaluating tenders
- Preparing and supporting in negotiating new technology solutions with global corporations and start-ups
- Supporting the implementation of a global Insurance Procurement Community in the Allianz Group with over 20 international entities, e.g. by providing an online platform

Key Requirements/Skills/Experience
- Studies of business administration or industrial engineering, preferably with a specialization in supply chain management
Fluent English and German, other languages are a plus

- Very good knowledge of Microsoft Office applications (Word, Excel, PowerPoint, Outlook)
- Ability to work independently
- Team player with good communication skills
- Analytical mindset
- Practical experience gained through previous internships, preferably in management consultancy companies
- You can 01 December 2019 and are interested in an internship for 4 to 6 months in full-time (38h/week) or - as a working student - part-time (16-20 h/week)

Additional Information

What do we offer you?
- An attractive monthly salary of 1.607 € for internships (also for mandatory internships). For working students 1.700 € (Bachelor students) or 1.900 € (Master students) on a full-time basis
- A modern and open space office located in Munich
- Flexible working hours
- A student discount in our outstanding canteen
- Free LinkedIn Learning Account and many other opportunities to develop new skills
- A big student community with many options for networking
- A highly talented, dynamic and international team
- Job opportunities in a global company

Need to know
- Requirement for internship and working student positions is the enrollment in a university – or (for an internship) a gap year.
- We can only consider your application if you provide the following documents:
  - Certificate of enrollment (exception gap year)
  - Work and residence permit (for non-EU citizens)
- Allianz Technology is an equal opportunity employer encouraging diversity in the working environment. We are interested in your strengths and experience. Everybody is welcome, no matter gender, age, ancestry, national origin, race or ethnicity, religion, disability or sexual orientation.

Interested? Then dare to write your own story and start your career at Allianz Technology!
Please submit your application (including CV, cover letter and certificates/reference letters) to our e-Recruiting portal: https://www.allianz.com/en/careers
