## Übungsfragen

### Vorlesung - Kapitalmärkte in der Türkei

- What are the major problems of Turkish economy and what kind of measures are required to be taken?
- What could be done to increase the efficiency on Turkish capital markets? Consider the main pillars of capital markets.
- Since Turkey exhibited a rapid development following the 2001 local crisis, do you think this trend could continue after the current global crisis?
- What should be done for the EU compliance on behalf of economy and capital markets?
