

Master of Science Biologie PO 2022
Module und Prüfungen (Stand: 07. Mai 2025)

Konto	Modul Prüfung
1100 Biology	75432 11250 Advanced Methods in Biology (Advanced Practical Course)
1100 Biology	75432 15432 Advanced Methods in Biology (Seminar)
1100 Biology	78022 18015 Molecular Biology and Biotechnology
1100 Biology	78022 18022 Philosophy of Science
1100 Biology	78022 18505 Scientific Integrity, Data Analysis & Management
1100 Biology	76603 18515 Stress Response & Resilience
2200 Advanced topics in Biological Resilience	75430 15430 Adaptation and Diversity in Tropical Ecosystems (Lecture)
2200 Advanced topics in Biological Resilience	76593 18007 Advanced Microbiology (Lecture)
2200 Advanced topics in Biological Resilience	76595 18009 Applied Molecular Ecology and Evolution (Lecture)
2200 Advanced topics in Biological Resilience	74300 14300 Bienenkurs
2200 Advanced topics in Biological Resilience	71328 12036 Biologische Chemie
2200 Advanced topics in Biological Resilience	75431 15431 Cell Biology & Genetics (Lecture)
2200 Advanced topics in Biological Resilience	75409 15409 Conservation Genomics (Lecture)
2200 Advanced topics in Biological Resilience	75724 15724 Ecosystem Ecology, Society and Management
2200 Advanced topics in Biological Resilience	75416 15416 Endocrinology (Lecture)
2200 Advanced topics in Biological Resilience	73376 12376 Fledermauskurs - unbenotet
2200 Advanced topics in Biological Resilience	74299 14299 Fledermauskurs
2200 Advanced topics in Biological Resilience	76679 18029 From tree biology to forest ecology (Lecture)
2200 Advanced topics in Biological Resilience	75695 15695 Marine Biotechnology (seminar & advanced practical course)
2200 Advanced topics in Biological Resilience	75365 15365 Marine Biotechnology
2200 Advanced topics in Biological Resilience	76675 18035 Molecular Plant Stress Physiology (Lecture)
2200 Advanced topics in Biological Resilience	76594 18011 Neurobiology and Behaviour (Lecture)
2300 Biology in Praxis	75418 15418 Career Exploration in Quality Assurance
2300 Biology in Praxis	74391 14391 Exkursion
2300 Biology in Praxis	75412 15412 Karriereperspektiven in den Biowissenschaften
2100 Research focus Biology	78021 18521 Adaptation and Diversity in Tropical Ecosystems (Advanced Practical Course)
2100 Research focus Biology	78021 18021 Adaptation and Diversity in Tropical Ecosystems (Seminar)
2100 Research focus Biology	78021 15430 Adaptation and Diversity in Tropical Ecosystems (Lecture)
2100 Research focus Biology	78007 15967 Advanced Microbiology (Advanced Practical Course - Graded)
2100 Research focus Biology	78007 18007 Advanced Microbiology (Lecture)
2100 Research focus Biology	78007 18907 Advanced Microbiology (Seminar)
2100 Research focus Biology	76663 15984 Applied Molecular Ecology and Evolution (Advanced Practical Course)
2100 Research focus Biology	76663 18009 Applied Molecular Ecology and Evolution (Lecture)
2100 Research focus Biology	76663 18909 Applied Molecular Ecology and Evolution (Seminar)
2100 Research focus Biology	78028 12036 Biologische Chemie
2100 Research focus Biology	78028 18028 Nukleinsäure- und Peptidaptamere als Grundlage für funktionelle Materialien in der Biotechnologie (Seminar)
2100 Research focus Biology	78028 18528 Nukleinsäure- und Peptidaptamere als Grundlage für funktionelle Materialien in der Biotechnologie (Übung)

Konto	Modul Prüfung
2100 Research focus Biology	76678 15983 Cell Biology & Genetics (Advanced Practical Course - graded)
2100 Research focus Biology	76678 15431 Cell Biology & Genetics (Lecture)
2100 Research focus Biology	76669 15410 Conservation Genomics (Advanced Practical Course)
2100 Research focus Biology	76669 15409 Conservation Genomics (Lecture)
2100 Research focus Biology	76669 18510 Conservation Genomics (Seminar)
2100 Research focus Biology	75427 15416 Endocrinology (Lecture)
2100 Research focus Biology	75427 15427 Endocrinology (Seminar & Advanced Practical Course)
2100 Research focus Biology	78029 18029 From tree biology to forest ecology (Lecture)
2100 Research focus Biology	78029 18529 From tree biology to forest ecology (advanced practical course)
2100 Research focus Biology	78029 18929 From tree biology to forest ecology (Seminar)
2100 Research focus Biology	75407 15407 Molecular Biology of Archaea
2100 Research focus Biology	78035 18535 Molecular Plant Stress Physiology (Advanced Practical Course)
2100 Research focus Biology	78035 18035 Molecular Plant Stress Physiology (Lecture)
2100 Research focus Biology	78035 18935 Molecular Plant Stress Physiology (Seminar)
2100 Research focus Biology	78011 18511 Neurobiology and Behaviour (Advanced Practical Course)
2100 Research focus Biology	78011 18011 Neurobiology and Behaviour (Lecture)
2100 Research focus Biology	78011 18911 Neurobiology and Behaviour (Seminar)
2100 Research focus Biology	75433 15433 Tropical Ecology in Costa Rica
2400 Research focus Medicine	75008 15008 Clinical Neuroscience Basic Lectures
2400 Research focus Medicine	75044 15044 Clinical Neuroscience Practical Training
2400 Research focus Medicine	71596 12296 Humangenetik Master of Science
2400 Research focus Medicine	76596 11244 Pharmakologie und Toxikologie II
2400 Research focus Medicine	75009 15009 Clinical Neuroscience Seminar
2400 Research focus Medicine	76590 13472 Virology II - Part 1
2400 Research focus Medicine	76590 13473 Virology II - Part 2
2400 Research focus Medicine	76590 13474 Virology - Practical Course
4500 Complementary Area	70555 11252 Patentrecht
4500 Complementary Area	77010 17010 Allgemeine Psychologie II
4500 Complementary Area	75296 15296 Biologische Psychologie & Gesundheit, Prävention und Rehabilitation
4500 Complementary Area	70112 12200 Differentielle Psychologie
4500 Complementary Area	70003 10615 Einführung in die Betriebswirtschaftslehre
4500 Complementary Area	70726 10808 Einführung in die Volkswirtschaftslehre
4500 Complementary Area	77052 17052 Grundlagen der Technischen Informatik
4500 Complementary Area	75467 15467 Gründergarage I - Businessplan
4500 Complementary Area	75468 15468 Gründergarage II - Accelerator
4500 Complementary Area	70378 10416 Grundlagen der Elektrotechnik I
4500 Complementary Area	75570 15570 Hands on bioinformatic tools
4500 Complementary Area	74733 14733 Neuropsychologie
4500 Complementary Area	75677 15677 Practical laboratory course I

Konto	Modul Prüfung
4500 Complementary Area	75678 15678 Practical laboratory course II
4500 Complementary Area	75679 15679 Practical laboratory course III
4500 Complementary Area	75680 15680 Practical laboratory course IV
4500 Complementary Area	75681 15681 Practical laboratory course V
Additive Schlüsselqualifikationen	86x00 Leer lassen/leave blank
