

Want to be paid to be on Social Media?

universität
uulm

Join our Institute as Social Media Manager!

The position:

- 4-8h/month as scientific/student assistant

The task:

- Set up and take care of our social media feeds (i.e., Instagram, LinkedIn)
- Minor website adjustments (Typo3 basics needed)

The benefits:

- Have contact with all projects within the institute.
- Gain experience in scientific communication.
- Fresh up your histology and molecular anatomy knowledge.
- Enjoy the beauty of microscopic anatomy and be paid for it.
