

Curriculum Vitae

Name: Ushmorov Alexey, MD (USSR)

Date and Place of birth: 9.02.1958, Leningrad, USSR

Institutional address: Institute of Physiological Chemistry, Ulm University,
Albert-Einstein Allee 11, 89081, Ulm Germany

Phone: +49-(0)731-50033847

Fax: +49-(0)731-50022892

E-mail: alexey.ushmorov@uni-ulm.de

Current position:

group leader, Institute of Physiological Chemistry, Ulm University

Education

1975-1981 Leningrad institute for hygiene and sanitation, Leningrad, USSR

Dissertation 1987, N.N. Petrov Research Institute of Oncology, Leningrad
Title: "Antitumor activity of 6-fluoropyrimidines"

Areas of research interests:

Role of transcription factors in pathogenesis of hematological malignancies

Role of epigenetic factors in regulation of gene expression in lymphomas and leukemias

Research Experience:

- 11.1981-10.1989 Junior Research Associate, Laboratory of Preclinical Trials,
N.N.Petrov Institute of Oncology, Leningrad, USSR
- 10.1989-07.1991 Senior Research Associate, Laboratory of Immunology,
N.N.Petrov Institute of Oncology, Leningrad, USSR
- 07.1991-09.1993 Senior Research Associate, Laboratory of Hybridoma Technology,
Central Institute for Radiology, St.-Petersburg, Russia
- 10.1993-04.1994 Research Associate, Laboratory of Cell Cultures, Institute of Cytology,
Russian Academy of Science, St. Petersburg, Russia
- 12.1994-06-1995 Assistant, Department of Physiology, Institute of Chemistry and
Pharmacology, St.-Petersburg, Russia
- 01.1997-12.1998 Guest-scientist, Laboratory of Immunochemistry, DKFZ, Heidelberg,
Germany
- 01.1999-10.1999 Research Associate, Laboratory of Immunochemistry, DKFZ,
Heidelberg, Germany
- 11.1999-09.2001 Research Associate, Children Hospital, University of Ulm, Germany
- 09.2001- Research Associate, Institute of Physiological Chemistry, University of
Ulm, Germany

Reviewer activity:

Journals:

Carcinogenesis, Blood, Leukemia, Leukemia and Lymphoma, Cancers,
Cancerogenesis.

Scientific research foundations:

DFG (Germany), Leukemia and Lymphoma Research (UK), Netherlands Organisation
for Scientific Research (Netherlands), INSERM (France), Israel Science Foundation
(Israel), Czech Science Foundation (Czech Republic).
