

## **Criteria for the exemption of the compulsory attendance during the symposia of the International Graduate School in Molecular Medicine Ulm**

The following criteria may lead to the exemption from compulsory attendance:

1. The doctoral candidate renders his examination performance within the double doctorate programme on a retreat with the respective partner university.
2. Due to the double –degree programme the doctoral student is staying for a longer period of time in a partner laboratory.
3. Under a cooperation the candidate is performing important experiments for a longer period abroad and participation in the symposium would cause disproportionate high cost and time investement.
4. The candidate holds a talk or presents a poster on the findings of his/her project on a scientific meeting taking place simultaneously to Fall/Spring Meeting.
5. The exceptions 2-4 can only be applied, if no evaluation/exam according to the curriculum (posters, presentation) are to be fulfilled at the Spring/Fall Meeting of the Graduate School.
6. The exemption from compulsory attendance must be confirmed by the PhD Commission.
