

Decision about Doctor of Philosophy or Doctor rerum naturalium

Dear Student,

As you will soon pass your second intermediate examination, we kindly ask you to decide which title you would like to receive after successfully completing the International PhD Programme in Molecular Medicine. You can choose between the German title Doctor rerum naturalium (Dr. rer. nat.) or the international degree Doctor of Philosophy (PhD). Please note that for both titles the same requirements have to be fulfilled. Please tick the appropriate box below and submit the form to the Coordination Office within two weeks after your exam. If you have any questions regarding the choice of your title, do not hesitate to contact the Coordination Office.

Herewith I declare that after completing the International PhD Programme in Molecular Medicine I want to receive the following title:

Doctor rerum naturalium (Dr. rer. nat.)

Doctor of Philosophy (PhD)

Name: _____

Date: _____ Signature: _____
