

# Information

## Advanced Methods & Master thesis

### MSc Biology

## Advanced Methods

- Usually already carried out at the supervisor of the Master's thesis
- Duration: usually 5 weeks (10 semester hours)
- Ungraded certificate of achievement (may be completed with a presentation)  
→ entered by the supervisor in the university portal
- Registration of the Master's thesis must take place no later than 2 months after passing the Module Advanced Methods

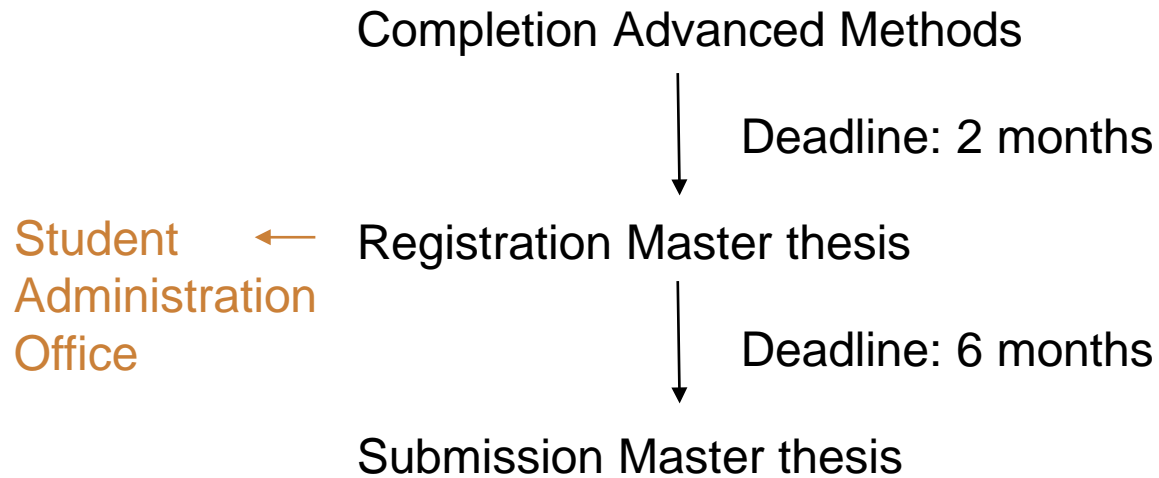

## Master thesis I

- Prerequisite for admission to the Master's thesis:
  - at least 60 LP acquired in the Master's degree
  - Advanced internship has been successfully completed
- Registration at the Student Administration Office → Form:  
<https://www.uni-ulm.de/en/nawi/departement-of-biology/students/theses/>
- Will be assessed by 2 reviewers
- external thesis → Info & application: <https://www.uni-ulm.de/en/nawi/departement-of-biology/students/theses/>
- **IMPORTANT: Application for external work ≠ Registration**

## Master thesis II

- Duration: 6 months (max. 4 weeks extension)
- Language: usually English → with the approval of the reviewers also possible in German
- Submission: two written copies and one electronic copy to be submitted to the Student Administration Office
- usually ends with a presentation
- For submission at the beginning of a new semester: **without re-registration**, submission of the Master's thesis is possible up to **1 month after the start of lectures** → new semester does **not** count towards the number of semesters in the degree programme
