Master Course: Founder's Garage
Improve your project management skills!

What is Founder's Garage?

In Founder's Garage you design solutions for real-world problems. Small interdisciplinary teams of 3 to 5 students guided by a mentor from business or university evolve ideas into business concepts.

Content

In Founder's Garage, you get a crash course on **time** and **project management** and gain insight into the **entrepreneur world**.

You receive support from **mentors and experts**, visit **workshops** and **presentations**, and work on your **concept**.

How can you apply for Founder's Garage?

(1) *You are a skilled expert in ... or you have an interesting hobby? Would you like to join a team?*

Great! We would like to know more about you.

(2) *You have a great idea and need people to work with you?*

Tell us all about! What is your idea? What kind of support are you looking for?

Interested? Send an e-mail to foundersgarage@uni-ulm.de until **Oct 1st 2019**.

Your advantages at a glance

- ✓ You find solutions for **real-life problems**
- ✓ You develop **project management** skills
- ✓ You **get creative**
- ✓ You receive support by a **mentor** and work in an **interdisciplinary team**
- ✓ You may get **ECTS**
- ✓ You gain insights into the **start-up scene** and your **future work-life**
- ✓ You have **flexible working hours**
