

## Curriculum Vitae

### Prof. Dr. Sabine Richert

Full Professor of Chemistry (W3)  
University of Ulm  
Institute of Surface Chemistry and Catalysis  
Lise-Meitner-Str. 16  
89081 Ulm, Germany  
E-mail: [sabine.richert@uni-ulm.de](mailto:sabine.richert@uni-ulm.de)

Since Oct. 2025	W3-Professor of Chemistry at the Institute of Physical Chemistry II, Ulm University
Oct. 2024 - Sept. 2025	W3-Professor of Chemistry at the Institute of Physical and Theoretical Chemistry, Goethe University Frankfurt
Since Dec. 2019	Emmy Noether research group leader at the Institute of Physical Chemistry, University of Freiburg
Jan. 2018 – Nov. 2019	Post-doctoral research at the University of Freiburg (D) in the group of Prof. <a href="#">S. Weber</a>
Jan. 2017 – Dec. 2017	Post-doctoral research at the University of Oxford (UK) in the group of Prof. C.R. Timmel
Oct. 2013 – Dec. 2016	Doctorate at the University of Oxford (UK) under the supervision of Prof. <a href="#">C.R. Timmel</a> , Thesis title: “Electron paramagnetic resonance studies and magnetic field effects on porphyrin nanostructures and triad systems.”
Nov. 2010 – Aug. 2013	Research Assistant at the University of Geneva (CH) under the supervision of Prof. <a href="#">E. Vauthey</a> , Research topic: “Ultrafast photochemical processes at liquid interfaces.”
Oct. 2005 – Jan. 2010	Bachelor's and Master's studies at the University of Graz (A) Master research topic: “Time-resolved magnetic field dependent radical pair dynamics.”
