

**Application for Biophysics Research Project
or Research Internship
Biophysics M.Sc. FSPO 2024**

Name, First Name

Student ID

e-mail address

Biophysics Research Project

Research Internship

Workload: 450 h/~11 weeks full time

Please enter your data above. In the section below, please enter additional information.

Start Date (expected)

Internal Examiner
(Name and Signature)

Date/Signature of internal Examiner

Topic and Abstract

Date, Signature of the Student

Research Internship

internal (Faculty of natural sciences) external

Supervisor
(Name, affiliation,
contact details
and Signature)

Name and contact details of supervisor

Date/Signature of supervisor

Please ensure not to violate your visa requirements, if applicable.

Signature of Chairman of
the Examination Board

Date/Signature of Chairman of the Examination Board

Please fill this form, print it and obtain the necessary signatures, then submit this form to the Biophysics coordinator.
