

# Biophysics M. Sc. - Timetable

Lectures start: 02.11.2020 - online

Lectures Ends: 19.02.2021

Updated 30.10.2020

Time	Monday	Tuesday	Wednesday	Thursday	Friday	
8 – 9	<b>Biology and Cell Biology</b> Röszer, Walther, Ziegler online	<b>German Language Course</b> online	<b>Biophysics: Fundamentals</b> (for Physicists) Exercise Gottschalk N24/251	<b>Biology and Cell Biology</b> Röszer, Walther, Ziegler online	<b>German Language Course</b> online	<b>Biophysics: Fundamentals</b> (for Biochemists)  Michaelis online
9 – 10						
10 – 11			<b>Introductory Chemistry</b> Bresser online		<b>Biophysics: Fundamentals</b> (for Physicists)  Gottschalk Online	
11 – 12						
12 – 13			<b>Biophysics: Fundamentals</b>  for Biochemists Michaelis online    for Physicists Gottschalk Online		<b>Mathematical Methods</b>  Said online	
13 – 14						
14 – 15	<b>Biophysics Lab</b>  Laboratory course for the "Fundamentals Methods of Biophysics" module (Jan. - Feb.)  Michaelis    Lab Rooms	<b>Biophysics: Fundamentals</b> (for Biochemists) Exercise/Tutorial Michaelis online/N25/2103, O25/346, H21	<b>Practical Skills in Physics</b> (Jan. - Feb.) Röcker  1st Appointment: tba			
15 – 16		<b>Mathematical Methods</b>  Said online				
16 – 17						
17 – 18						

  Biophysics Compulsory Modules

  Adaptation Modules-Biology/Chemistry

  Adaptation Modules-Physicists

  Language Course

## Notes:

Course Title	Remarks
Fundamental Methods of Biophysics (Biochemists/Physicists)	Prof. Gottschalk: lecture for students with a Physics Bachelor, online. Prof. Michaelis: lecture for students with a Bio- Bachelor, online.
Biology I - Dr. Röszer	Will start on Wednesday 4th November. From January: classes in presence (if possible) on Mondays 08:00 to 10:00 in M24/H10.
Mathematical Methods - Dr. Said	From January: classes in presence (if possible) on Tuesdays (16:00 to 18:00 in N24/227) and Fridays (12:00 to 14:00 in N24/227).
Practical Skills in Physics - Dr. Röcker	Will start in January 2021
<b>German Language Course</b>	Classes will be offered online with a mix of synchron and asynchron slots. The Welcome meeting will take on 10th November in Moodle.
