

## Application for external research project Biophysics M.Sc.

Name, First Name \_\_\_\_\_ Student ID \_\_\_\_\_

Specialization 1 (12 ECTS) \_\_\_\_\_

Specialization 2 (6 ECTS) \_\_\_\_\_

Please enter your data above. In the section below, please enter the information for your external research project.

Start Date (expected)	<input type="text"/>
Subject of the project	<input type="text"/>
Internal Examiner (Name and Signature)	<input type="text"/> <small>Date/Signature of internal Examiner</small>
External Examiner (Name, affiliation, contact details and Signature)	<input type="text"/> <small>Name and contact details of external Examiner</small>
	<input type="text"/> <small>Date/Signature of external Examiner</small>
The external research project will be counted as: <input type="radio"/> Biophysics Research Project <input type="radio"/> Selected Research Project	
Information about the payment	<input type="text"/> <small>Will you be paid during your project? If yes, how much will the payment be and which expenses it is supposed to cover?</small>
Signature of Chairman of the Examination Board	<input type="text"/> <small>Date/Signature of Chairman of the Examination Board</small>

Date, Signature of the Student \_\_\_\_\_

Please fill this form, print it and obtain the necessary signatures, then submit this form together with an abstract for your research project to the Biophysics coordinator.
