

Final assignment of examinations

Before compiling the certificate, you have the unique opportunity to assign the passed modules to the examination areas.

This results in the final grade and the list of exams in the certificate.

Note:

1. Fill out the form completely and list all exams.
2. Have the programme coordinator confirm that the assignment of the modules conforms to the examination regulations.
Please bring with you a current transcript of all academic and examination achievements.
3. Please hand in the form to the Studiensekretariat before submitting your Master's thesis!
