

To the Deans
of the Faculty of Natural Sciences
and the Faculty of Mathematics and Economics
of the University of Ulm

Application for admission to the doctoral procedure

I hereby request the opening of the doctoral procedure for obtaining the degree of Natural Sciences Dr. rer. nat. of the University of Ulm, awarded by the Faculty of Natural Sciences and the Faculty of Mathematics and Economics.

The title of my dissertation is:

I have attached the necessary documents according to § 8 of the Regulations for Doctoral Studies Dr. rer. nat. and the framework regulations of the University of Ulm.

Ulm,

Confirmation of supervisor

I hereby confirm that I have accepted the dissertation

.....
.....
.....
.....

from Mr./Ms.

- The dissertation is a monograph
- cumulative dissertation

I confirm that the publications used for the cumulative dissertation meet the criteria of § 10 paras. 1 and 2 of the regulations for doctoral studies. This means that the doctoral candidate has submitted at least three related essays, to which he/she has made a substantial individual contribution and of which at least two have appeared or been accepted for publication in high-ranking publication for the subject area. In addition, the doctoral candidate has submitted a summary in which the work is placed in a scientific context. If parts of the dissertation have been co-authored with other scientists, I can confirm that the doctoral candidate has made a substantial contribution of his or her own to the concept, content and methods of these papers and that his or her individual achievements can be clearly distinguished and evaluated in all essays. A separate and signed declaration by the doctoral candidate about his/her contribution to the dissertation is enclosed with the application for admission.

Ulm,

(signature)

Statement

I hereby declare that I have done the work independently and have not used any other sources and resources than those indicated, have identified the passages taken over in words or content as references and have complied with the statutes of the University of Ulm for the Protection of Good Scientific Practice as currently published.

I agree that the dissertation may also be used for the purpose of verifying compliance with generally accepted scientific standards, in particular by using electronic data processing programs.

Ulm,

.....

(signature)

Statement

I hereby declare that I have not yet submitted the dissertation in this or a similar form in another doctoral procedure at home or abroad. Furthermore, I have not yet applied for admission to a dissertation at the University of Ulm or any other university with the right to award a doctorate, nor have I already obtained the doctorate Dr.rer.nat. or have finally failed in an earlier dissertation procedure for the degree Dr.rer.nat. at the University of Ulm or any other university with the right to award a PhD. Otherwise, I enclose the declarations and copies required in § 7 Paragraph 2 Nr. 2 and 3 RPO.

I am familiar with the valid regulations for doctoral studies of the University of Ulm (RPO), the doctoral regulations of the Faculty of Natural Sciences for the acquisition of Dr.rer.nat. as well as the statutes of the University of Ulm for ensuring good scientific practice.

Ulm,
