Guidelines for the submission and external form of the dissertation

1. The dissertation should be written in German or English. It must contain:

- cover page
- page 2
- table of contents
- summary
- complete bibliography

2. title page according to the following scheme:

Title of the work

Dissertation formula (with naming of the faculty): Dissertation to obtain the degree Dr.rer.nat. of the Faculty of Natural Sciences / Mathematics and Economics of the University of Ulm
submitted by (author's name with first name written out in full) from (place of birth) publication
(printing) year

3. on the 2nd side is to be listed:

Name of the Dean of the Faculty

First reviewer = supervisor

second reviewer

possible further reviewers

Day of the promotion (will be inserted on the copies to be published)

4. Texts adopted in the original must be clearly identified as citations by quotation marks with reference to the original with page numbers. Literature mentioned in the text must be listed in the bibliography; this should only contain works actually used.

5. prescribed format: Din A4

6. The electronic version of the dissertation shall be submitted in PDF format on USB stick. It must not be a scanned version of the paper printout. Encrypted, password-protected or otherwise restricted files are also inadmissible. The USB stick should also contain additional information: List of all publications, scientific lectures and posters, curriculum vitae with professional and scientific background.
