

CURRICULUM VITAE

Name Victor Leszek Janusz TYBULEWICZ
Date of birth 22nd September 1960
Place of birth London, U.K.
Nationality British
Address The Francis Crick Institute
Midland Road
London NW1 1AT,
UK
Telephone +44 20 3796 1612
Email Victor.T@crick.ac.uk
Web <http://www.crick.ac.uk/victor-tybulewicz/>
ORCID iD 0000-0003-2439-0798

EDUCATION

1981 BSc Chemistry and Biochemistry, Imperial College, London
1984 PhD MRC Laboratory of Molecular Biology, Cambridge University

DISTINCTIONS and AWARDS

1979 College Scholarship, Imperial College
1981 Governor's Prize, Imperial College
2007 Elected Member of the European Molecular Biology Organization (EMBO)
2008 Elected Fellow of the Academy of Medical Sciences
2012 Elected Member, Medical Research Club, London
2012 Wellcome Trust Senior Investigator Award

PRESENT POSITIONS

Assistant Research Director & Principal Group Leader, Francis Crick Institute, London, UK
Visiting Professor of Immune Cell Biology, Department of Immunology and Inflammation, Imperial College, London UK.

POSTS HELD

1984 – 1986 Beit Memorial Fellow, MRC Laboratory of Molecular Biology, Cambridge, U.K
1986 – 1991 EMBO and Irvington Institute Postdoctoral Fellow, Whitehead Institute for Biomedical Research, Cambridge, MA, USA
1991 – 1996 Career Track Scientist, MRC National Institute for Medical Research, The Ridgeway, London, UK
1996 – 2001 Senior Scientist, MRC National Institute for Medical Research, The Ridgeway, London, UK.
2001 – 2015 Head of Division of Immune Cell Biology, MRC National Institute for Medical Research, The Ridgeway, London, UK.
2007 – 2015 Head of Immunity Group, MRC National Institute for Medical Research, The Ridgeway, London, UK.
2013 – 2022 Professor of Immune Cell Biology, Department of Immunology and Inflammation, Imperial College, London UK.

2022 – present	Visiting Professor of Immune Cell Biology, Department of Immunology and Inflammation, Imperial College, London UK.
2015 – present	Principal Group Leader, Francis Crick Institute, London, UK
2019 – present	Assistant Research Director, Francis Crick Institute, London, UK

ORGANISATION OF SCIENTIFIC MEETINGS

2012	Company of Biologists Workshop, “New Technologies and Applications for Genome Engineering”, Wiston House, Sussex, UK, 26-29 March 2012.
2013	FASEB meeting, “Signal Transduction in the Immune System”, Nassau, Bahamas, 9-14 June 2013.
2014	Wellcome Trust Conference, “Alzheimer's disease in Down syndrome: from molecules to cognition”, Hinxton, UK, 27-29 March 2014.
2015	FASEB meeting, “Signaling in the Immune System”, Big Sky, Montana, USA, 7-12 June 2015.
2016	Keystone meeting, “Biology of Down Syndrome: Impacts across the Biomedical Spectrum”, Santa Fe, USA, 24-27 January 2016.
2019	T21RS Down Syndrome Research Meeting, Barcelona, Spain, 6-9 June 2019.
2022	Keystone Meeting, “B cell – T cell Collaboration: Regulation and Dysregulation”, Hanover, Germany, 3-7 April 2022.

MEMBERSHIP OF EDITORIAL BOARDS AND COMMITTEES

2000 – 2019	Member of the Editorial Board of the journal “Immunology”
2002 – 2006	Member of the MRC Molecular and Cellular Medicine Board
2010 – present	Review Editor for Frontiers in T cell Biology
2011 – present	Review Editor for Frontiers in B cell Biology
2011 – 2012	Member of Cancer Research UK Biological Sciences Committee
2012 – 2014	Council Member, Academy of Medical Sciences
2012 – 2016	Faculty Member, Faculty of 1000
2016 – present	Scientific Advisory Board, Centre of Membrane Proteins and Receptors (COMPARE), Universities of Birmingham and Nottingham
2016 – 2020	Wellcome Trust Expert Review Group in Immunity, Member
