Why **ASSIST** ?

Enjoy the exchange with people of different background and age!

Discover cities, nature, culture and traditions in Germany!

Meet students of different nations and cultures and Universities.

Improve your german language skills!

Who is ASSIST?

A group of dedicated volunteers, the Senior Consultants, strongly motivated to accompany and help International Students.

We support International Students at the University of Ulm / THU - Ulm / HNU New-Ulm whose native language is not German.

ASSIST collaborates with the International Office of the University Ulm & THU Ulm and HNU Neu-Ulm

ASSIST is partner of ZAWIW (i.e. Center for General Scientific Continuing Education).
